

## **Message to families:**

Dear Potomac View families,

As we continue with virtual learning, student security continues to be a top priority. Starting on Monday, May 11<sup>th</sup>, live meetings between staff and students will be conducted solely using Microsoft Teams. Microsoft Teams allows the Potomac View community to continue connecting live while ensuring privacy. Students have access to Microsoft Teams with their PWCS credentials and the program can be accessed online or with the Microsoft Teams app. If you have questions on how to access Microsoft Teams, please ask your child's teacher. We thank you for all of the work you are doing at home and look forward to seeing you in Microsoft Teams meetings!

Señores Padres de Familia:

La seguridad y privacidad de nuestros estudiantes es

la prioridad nuestra, por lo tanto comenzando el día Lunes 11 de Mayo, las reuniones de los estudiantes con sus maestros en vivo

se llevara a cabo unicamente utilizando la aplicacion Microsoft Teams.

Los estudiantes utilizaran sus credenciales de Prince WilliamWilliam County, el acceso a este programa es en linea. Por favor pregunte a la maestra de sus niños, acerca de la aplicacion Microsoft

Team. Les agradecemos por todo el trabajo que realizan desde su hogar. Esperamos verlos en las reuniones mediante Microsoft Teams.
